

Attorney Docket No.: 944-1.68
Serial No.: 10/082,534

REMARKS

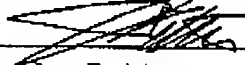

This paper requests entry of an amendment under 37 CFR 1.312 changing the claims only to remove all parenthetical reference labels, and so in a way believed unrelated to patentability.

It is believed that all of the claims of the application are still in condition for allowance and their passage to issue is earnestly solicited.
